

Heston is 33 years old, and was born and raised in South Africa. He and Lydia (who is from Norwich) met in Cape Town in 2003, and have just celebrated their 8th wedding anniversary.

Heston was a youth worker before training for ordination at Ridley Hall in Cambridge. He has served his curacy in a team of 3 diverse churches around Deptford, SE London.

Lydia is a chartered accountant, but resigned from corporate life in order to share ministry (and more waking hours!) with Heston. Amongst other things, she is a debt- and benefits- adviser, and uses her finance skills to serve several charities.

Heston is a keen runner and Lydia enjoys baking. They both love travelling and exploring new places – and so are looking forward to a Northern adventure!

“We fell in love with All Hallows at first sight of the advertisement and website. We are inspired by your energy, and your commitment to the cross and the rainbow as symbols of Christian life – and we share your love of Greenbelt ☺ We are very excited to be joining you, serving God together and making new friends in the church and parish. Please pray for us as we prepare to move, as we will be praying for you.”
