Prayer for the day

We ask, O God, for the grace
to be our best selves.

We ask for the vision
to be builders of the human community
rather than its destroyers.

We ask for the humility as a people
to understand the fears and hopes of other peoples.

We ask for the love it takes
to bequeath to the children of the world to come
more than the failures of our own making.

We ask for the heart it takes
to care for all the peoples
as well as for ourselves.

Amen

*God said: 'I have set my rainbow in the clouds, and it shall be a sign
of the bond between me and the earth.'*

And Desmond Tutu said 'We are the Rainbow People of God.'

Reflection

When I despair,
I remember that all through history
the ways of truth and love have always won.
There have been tyrants, and murderers,
and for a time they can seem invincible,
but in the end they always fall.
Think of it - always
Mahatma Gandhi
